Call to Order Introductions

Staff Updates

1. Water Quality Standards for Radionuclides (Ken Duzan/Peter Goode)

No action requested by Commissions. Informational. Staff will update the commission on an overlapping issue with radionuclides. The requirement for drinking water treatment for radionuclides may have the consequence of requiring wastewater treatment plant modifications or upgrades.

2. Cooperative Water Quality Efforts Between the Missouri Department of Health and Senior Services and the Missouri Department of Natural Resources (Chuck Harwood and John MacEachen)

No action requested by Commissions. Informational. The standard operating procedure is being developed to help coordinate joint compliance and enforcement activities related to wastewater and drinking water violations. Procedures include an exchange of policy manuals related to these joint activities. Establishing the mechanisms, personnel, and the

sharing of paperwork necessary for effectively and systematically resolving these violations along with quarterly coordination meetings between the two departments.

Status of Groundwater in Southwest Missouri (Jim Vandike)

No action requested by Commissions. Informational. Over a number of years water usage and drought conditions have caused water levels in the aquifer to drop causing difficulties for public and private well owners. The presentation will discuss what is known about the situation and local and regional planning efforts under way to address the long term conditions.

Update on Water Issues in Southwest Missouri (Cynthia Davies)

No action requested by Commissions. Informational. Cynthia Davies, from the Southwest Regional Office, will give an update on issues in the Southwest Regional Office area that might be of interest to the Commissioners.

Public Comment

No action requested by Commissions. This routine agenda item provides an opportunity for general public comment on any issue pertinent to the Commission's role and responsibilities. The Commission encourages any and all interested persons to express their comments and concerns.
